

Supporters Activities and Updates...

Just letting you all know what **Suncorp EGM Commercial Insurance Claims** staff have been up to for the Australian Rainforest Foundation in 2009:

They have sponsored a cassowary and named him Rafiki.
Raised \$2,500.00 through raffles, Chocolate Box's and various fund raising events including bake off's.
It is fantastic what the staff are doing – so congratulations and a very big thanks from the Australian Rainforest Foundation.
